hereby provides the public with information on the accessibility requirements for services provided to people with a disability, as set out in Act No. 351/2022 Coll. on the accessibility of goods and services for people with disabilities (hereinafter referred to as the "**Act**") and Regulation of the Government of the Slovak Republic No. 282/2023 Coll., which establishes technical requirements for the accessibility of products for people with disabilities (hereinafter referred to as the "**Regulation**") and on the compliance of the company's websites with these requirements.

This accessibility statement applies to the company's website located at [www.slovenskaznamka.sk](http://www.slovenskaznamka.sk).

Through the above-mentioned website, the company is a service provider within the meaning of the law. Information on the functioning of the website is included in the company's terms and conditions. For the proper functioning of the above-mentioned website, we recommend using the latest version of a common web browser. The service is optimized for both mobile and desktop devices.

### **Compliance status**

The website is partially compliant with the Regulation.

### **Accessible content**

We have taken the following measures to improve digital accessibility:

1. Ensuring sufficient colour contrast between text and background.
2. Providing alternative text for images.
3. Implementing captions for multimedia content.
4. Supporting keyboard navigation of the website.
5. Compatibility with screen readers.
6. Correct heading hierarchy.
7. Interactive elements are sufficiently large.
8. Buttons and links have a clear purpose.
9. Correct language settings for the website and multilingual content.

### **Inaccessible content**

Despite our efforts, some content on the website may be inaccessible:

1. Some older documents may not be fully optimized for screen readers and may not have alternative text filled in.
2. Certain graphic elements may not meet all contrast requirements.
3. Interactive elements may not be fully adapted for keyboard navigation.
