

## Information about using cookies

To ensure the proper functioning of this website and to improve the services provided, in certain cases we store small data files called cookies on your device.

### 1. What are cookies?

Cookies are small text files created by communication between this website and your browser. Cookies are stored by our servers using your browser on your device (computer, mobile phone, tablet). Thanks to cookies, our website will recognize your device the next time you visit.

### 2. What do we use cookies for?

Our servers use cookies to improve the quality of our services and to tailor the content of the website to your needs and preferences. In particular, we use them to:

- a) monitoring the proper functioning of the website,
- b) improving the quality of the services provided,
- c) recognizing and facilitating the use of the site when you visit again,
- d) collecting, analyzing and evaluating information about your access to and behavior on the site,
- e) providing you with information about your interests and needs,
- f) recommending services that match your interests and needs,
- g) remarketing.

Almost every website uses cookies. When you visit a website again, they help you remember the pages you have visited and your previous settings.

By browsing this website, you agree to the storage of cookies for the purpose stated. The data collected is anonymous and does not lead to your direct identification.

### 3. What are the types of cookies?

In terms of time, we use cookies that are temporary and permanent.

- a) Temporary cookies are only stored on your device for the duration of your visit until you close the website.
- b) Permanent cookies are stored on your device and remain there until you delete them, or the time period set in your browser expires.

In terms of content, the operator uses the following cookies:

- a) Basic cookies that are necessary for the proper and quality use of the website (e.g. login data),
- b) Operational cookies, through which we can analyze your behavior on the website (e.g. the number of pages visited, or the time spent on them);
- c) Functional cookies, through which we can improve the functionality of the website by recording which services have already been offered to you.
- d) Advertising cookies, through which we can evaluate your interests and needs and offer you relevant services on that basis.

We only use cookies for operational, functional and advertising purposes with your consent.

### 4. How do we get cookies?

Basic cookies, which are necessary for the proper functioning of the website, are processed without your consent. Other cookies, the processing of which is not

necessary for the proper functioning of the website, are processed only with your consent. You can give us your consent by ticking the required cookies on our website. You can choose which types of cookies you give us your consent for and which you do not.

#### **5. How can you withdraw your consent to the processing of cookies?**

You can change the cookie storage settings in your browser at any time. You can delete, block or completely disable cookies or restrict their use to the types you select.
